## COMMUNITY ASSETS

[WWW.SYRACUSEKS.GOV](http://WWW.SYRACUSEKS.GOV)

Located in southwest Kansas at the intersection of Kansas Highway 27 and U.S. Highway 50, Hamilton County has a strong agriculturally based economy with Syracuse serving as a sales and service hub for the county. Basic economic activities include farming, ranching, dairies, cattle feeding, retail sales, financial and professional services, health care and tourism. Livestock ranks first in value production, with beef and dairy production being extremely important. Hamilton County ranks first in the state of Kansas for milk production. Wheat, hay, corn, and sorghum are the major crops.
