Steve Schell moved to adopt agenda, second by David Stimatze, approved unanimously.

Old Business – Brian told the committee that more shirts and hoodies have been ordered, demand has been good. Discussed pricing hoodies as cost to us is \$20. Also ordered new slips for receipts that will ask for information on visitors, so we can have better idea where to advertise and do some direct contact. Will also be kept and used to balance receipts. Roger Newman and Carl Scouten have both started. Brian has made up a daily list for them to work on. City crew did thorough cleaning of bathrooms. Charles told the committee that a visitor commented on how clean they were.

David is lining up help for Memorial Day weekend events.

New Business – David told the committee that Jim Dowell had donated a camera for the prize for the Poker Run, so they will split the prize money to the other places.

Discussed getting some better maps of the park, possibly park on one side and lake on the other. Brian will do some checking.

Brian gave manager's report, brought in \$1700 in April, already had \$300 for May. Hopefully, will see good increase with better weather and now that we have someone at the gate.

Next meeting was set for Thursday, August 7, at 7:00.

There being no further business, meeting was adjourned on motion by Steve Schell and second by Brian Grilliot.
