Reports:

Sand Park: At this time Sam's Pond has been moved to a warning for blue/green algae and cell counts. Our last event over Labor Day was not as big as previous years, perhaps because of Sam's Pond blue/green algae warning.

City Administrator: Stewart Porter of Scwabb Eaton, has filed the preliminary plans for the sewer pond project with Kansas Department of Health and Environment. Curb and gutter in front of the Barney Akers Gymnasium is done and looks good. We have started preparations to pour concrete north of the Fire Department building.

City Clerk: Dinkel will be attending a State Employee Health Insurance meeting in Hays on Tuesday the 12th of September and City Clerk Academy in November in Wichita.
